Dear Supporter,

It may surprise you to know that 1 in 4 kids leave school with no place to go. Our Boys & Girls Clubs across the country change the lives of youth each and every day by offering positive adult connections, fun enrichment activities, and a safe haven.

Your generous donation of \$_____ to the Vacaville Neighborhood Boys & Girls Club supports all nine Club locations' ability to serve young people most in need, helping them develop the skills and abilities to become caring, responsible and productive citizens. With your continued support we can be the beacon so many of our youth need.

The Vacaville Neighborhood Boys & Girls Club is a non-profit 501(c)3 organization. Our tax identification number is 13-4223488. Thank you for supporting our efforts. Your generosity is sincerely appreciated!

Sincerely,

Anna Eaton
